RE: Scope determination on antidumping duty order on certain steel nails from the People's Republic of China (A-570-909)

1. On 07/23/2015, in response to a request by Lumber Liquidators Services, LLC ("Lumber Liquidators"), Commerce issued a final scope determination that Lumber Liquidators' L-Cleat Flooring Brads (Article Numbers: 10029579, 10029580, 10029581, 10029582, and 10029583), which Lumber Liquidators imports is within the scope of the antidumping duty order on certain steel nails from the People's Republic of China (A-570-909).
2. Because the imported product is not within the scope exclusion for "brad" nails since the subject product has physical characteristics similar to "cleat" and "toothed nails" and do not have physical characteristics similar to "brad" nails, are not used in the same applications as "brad" nails," are used in different applications than "brad" nails and thus the expectations of the ultimate purchaser differ, and are advertised and displayed as "cleat" nails and not as "brad" nails, Commerce found this product to be within the scope of the order.
3. Continue to suspend liquidation of entries of certain steel nails from the People's Republic of China, including Lumber Liquidators' L-Cleat Flooring Brads imported by Lumber Liquidators described above, subject to the antidumping duty order on certain steel nails from the People's Republic of China.
